

THE LYNX WAY COFFEE BEAN DAY

THURSDAY, FEB. 11TH

One District. One Book. The Brandon Valley School District is promoting literacy while embracing a powerful message from the best-selling book "The Coffee Bean."

To inspire individuals young and old to create positive change, February 11th has been proclaimed The Lynx Way Coffee Bean Day. On this day of giving back and creating transformational change, a portion of the proceeds from the sale of beverages and food from Scooter's Coffee and KingBird Coffee will be donated to the Brandon Community Foundation. Sunshine Foods has also pledged support to the program.

Tune into a community message on Alliance (HD 226) Lynx TV the evening of Wednesday, February 10 to learn how to transform your environment, overcome challenges and create positive change.
