*This map illustrates the boundaries set forth by the Brandon Valley Board of Education (Board Policy JC). The Brandon Valley School District endorses the neighborhood school concept while maintaining full utilization of all elementary classrooms and teachers at all attendance centers. To achieve this goal, teacher/student ratio will be maintained at or near equal levels at each elementary school. Decisions regarding transfers among attendance centers within a district will be based upon the Board Policy JECB/JECC based on equalization of class sizes and boundary lines in the district.*
